

## Update your POS systems with the latest Discover® Network IIN (BIN) Ranges.

Be sure to update your POS systems now with the following expanded Issuer Identification Number ("IIN") Ranges. The IIN Range table listed below includes Diners Club International ("DCI") and other Issuers and Card programs that operate on Discover Network. These ranges are required for Card transaction routing and detailed in Release **9.2** of the Discover® Network Acquirer Operating Regulations and Technical Specifications:

Start	End	Issuing Network
30000000	30599999	DCI*
30950000	30959999	DCI*
35280000	35899999	JCB
36000000	36999999	DCI*
38000000	39999999	DCI*
60110000	60110999	Discover Network
60112000	60114999	Discover Network
60117400	60117499	Discover Network
60117700	60117999	Discover Network
60118600	60119999	Discover Network
62212600	62292599	CUP
62400000	62699999	CUP
62820000	62889999	CUP
64400000	65999999	Discover Network

*\* All Discover® Network Acquirers and Acquirer Processors must be able to re-route DCI Card transactions to Discover Network on or after October 16, 2009.*
